

## ALN Mounting Brackets BK265 and BK266

The mounting detail on these plates are complete and ready to accept the actuator, they speeding-up and simplifying installation and are Zinc plated (per ASTM-B633 Type II) for corrosion resistance.

### Additional ALN System Components Include:

- ALN Series Clevis Kit: KT130
- Light Force Speed Controllers:  
ECC328, ESD2244, ESD2402, ESD5120,  
ESD5520, ESD5570, ESD5526, ESD5500-II  
And EEG6500
- Bearing Rod Ends:  
BR200 (1/4-28), BR300 (M5),  
BR400 (M6), BR500 (M8)
- Threaded Rod: RD102 (1/4-28), RD233 (M6)
